

THINK BIG. BUILD WHAT'S NEXT.

● OUR OPERATING BELIEF

We don't stop at advice. We connect the **thinking** to the **technology**, and stay until the business **moves**.

Ideas

Systems

People

Progress

● THE GAP

MOST STRATEGIES DIE BETWEEN THE SLIDES.

Four partners, four agendas, and nobody accountable for the result.
Momentum is lost in every handover.

ONE PARTNER. FOUR WAYS TO MOVE.

01

STRATEGY

Acquisition, go-to-market, growth, expansion and hiring.

02

TECHNOLOGY

SaaS products and custom business systems.

03

COMMERCIAL

Policies, targets, intelligence and branding.

04

EXECUTION

Delivery, follow-up, SDR hiring and business development.

● STRATEGY & COMMERCIAL ADVISORY

DECISIONS THAT MAKE THE NEXT MOVE OBVIOUS.

STRATEGY

Acquisition & market entry

Go-to-market design

Upselling & growth timing

Expansion planning

Hiring & organisation design

COMMERCIAL ADVISORY

Commercial policies & pricing

Target models

Market & competitive intelligence

Branding & rebranding

Sales-team capability

Every recommendation comes with the commercial model, the targets and the plan to deliver it.

● TECHNOLOGY

SOFTWARE SHAPED AROUND HOW YOU ACTUALLY OPERATE.

MallOS

Tenant revenue share & mall analytics

Every tenant's sales, connected and calculated into one clear share.

LIVE • EGYPT

CommercialOS

Leads, pipeline & performance

Lead generation to won deal in one connected commercial system.

LIVE

QuoteOS

Quotes, approvals & margin

Configure offers, apply policy and see margin before you commit.

LIVE

Plus custom business systems, integrations and ERP-style tools, built from the operating need.

● PRODUCT IN THE FIELD

FROM IDEA TO LIVE PLATFORM.

MalIOS connects every tenant's POS, applies each lease's commercial terms and gives mall owners one live view of sales and revenue share.

4

POS systems integrated:
Foodics, Revel, Syrve, Hiopos

5s

live transaction refresh

● SELECTED WORK

DIFFERENT CHALLENGES. ONE MINDSET.

ENTERPRISE AUTOMATION

Pre-sales automation tools that cut manual friction and improved commercial readiness.

MARKETING STRATEGY

Market direction turned into a focused marketing strategy.

REBRANDING

YourParts.com became Denamo.
Smartech.xyz became Buniya.

MALL TECHNOLOGY

MallOS revenue intelligence for EASTLANE.

REAL ESTATE TECHNOLOGY

MallOS intelligence for Waterway destinations.

BRAND CREATION + E-COMMERCE

A bakery brand created from strategy and identity to packaging and a live online store.

● CASE STUDY · ROLLIN

A BAKERY BRAND BUILT FROM SCRATCH.

Strategy, identity, tone of voice, illustration, packaging, uniforms, outdoor, and a branded e-commerce store. One idea, every touchpoint.

● CASE STUDY · REBRAND

YourParts.com → **.DENAMO**

WHERE OTHERS STOP. WE START.

A car-parts retailer renamed and rebuilt as Denamo: the “D” as a wheel in motion, a bilingual Arabic and English identity, and a system that runs from storefront to uniform.

- Naming
- Logo & Arabic logo
- Brand system
- Signage
- Uniforms
- Packaging
- Digital

DENAMO

● CASE STUDY · REBRAND

A TECH COMPANY, RENAMED FOR ITS REGION.

BEFORE Smartech.xyz

AFTER Buniya · بُنْيَة

From a generic tech name to a bilingual brand with Arabic at its core. Buniya means "structure", a name and mark built to belong in the region.

● HOW WE WORK

A LIVING RHYTHM. DECIDE. BUILD. DELIVER. LEARN.

01

DECIDE

Diagnose the business and agree the direction, the numbers and what success means.

02

BUILD

Design the brand, the system or the commercial model: whatever the plan needs.

03

DELIVER

Launch, hire, follow up and run it with your team until it performs.

04

LEARN

Measure, refine and set up the next move.

● WAYS TO ENGAGE

START WHERE YOU NEED US MOST.

PROJECT

A defined outcome: a strategy, a brand, a system, a launch.

PARTNERSHIP

An ongoing strategy, commercial and execution partner that stays with your team.

PRODUCT

Subscribe to MalIOS, CommercialIOS or QuoteOS, configured for your business.
